Description

2006 Riviera 3600 Sport Yacht

A beautifully presented Riviera 3600 Sport Yacht with twin Volvo diesels, shaft drives, bow thruster, generator, upgraded Raymarine electronics and an excellent maintenance history.

This is a very tidy, well equipped example of one of Riviera’s most popular sport yacht models, offering the ideal balance of performance, accommodation and entertaining space.

Powered by twin Volvo Penta 310hp diesel engines with approximately 880 hours, she delivers strong, reliable performance through conventional shaft drives. A bow thruster makes close quarters handling easy, while the 4kW Onan generator, air conditioning, solar system and 400 litre water capacity make her well suited to weekends away or extended cruising.

The boat has benefited from substantial recent maintenance and upgrades, including major seawater servicing, engine and generator servicing, antifouling, PropSpeed, professional polishing, a new Volvo Penta engine monitoring display, new Raymarine 12 inch multifunction display, Raymarine autopilot and marine VHF.

The cockpit is a real highlight, with teak flooring, twin teak tables, custom bait board, 12 rod holders, stainless steel BBQ, additional esky seating and a stainless stern rail with fittings for the BBQ, bait board and tender davits. A Sirocco tender with electric motor is also included.

Inside, the 3600 offers comfortable accommodation for four across two cabins, with a well equipped galley featuring a cooktop, microwave, sink, storage and two fridge freezers. The bathroom includes a separate shower, vacuum toilet and holding tank.

Further features include:

- Twin Volvo Penta 310hp diesels
- Approximately 880 engine hours
- Shaft drive
- Bow thruster
- 4kW Onan generator
- Raymarine 12 inch multifunction display
- Raymarine autopilot
- Volvo Penta engine monitoring display
- Air conditioning
- Twin solar panels
- 1,000 litre fuel capacity
- 400 litre water capacity
- Two cabins and four berths
- Twin fridge freezers
- Separate shower and vacuum toilet
- Fusion stereo
- Television
- Underwater lights
- LED lighting throughout

- Muir anchor winch
- Chain counter
- Sirocco tender with electric motor
- Custom covers
- Offshore safety equipment
- Extensive maintenance history

With its twin shaft drive diesels, excellent equipment list, upgraded electronics and strong maintenance record, this Riviera 3600 Sport Yacht is a genuine turnkey cruiser.

A standout example and well worth inspecting.

Features
