Description

2000 Princess V50 asking \$399,000 welcoming offers!!!

Shaft drive & diesel under \$400k that's value

The 2000 Princess V50 is a 15.49-meter (50.8-foot) GRP sports cruiser from the British builder Princess Yachts, featuring a planing hull, two cabins with ensuites, and a typical cruising speed around 26-27 knots powered by twin Volvo Penta engines, with a top speed of approximately 38 knots. It includes a well-appointed cockpit with seating, a wet bar, a sunbathing area, and a galley and accommodation below deck for guests.

Key Features

Hull & Design: Constructed from GRP (fiberglass) with a planing hull design.

Dimensions: Approximately 15.49 meters (50.8 feet) long.

Accommodation: Typically offers two cabins with private ensuite facilities, accommodating up to four guests.

Cockpit: Features a spacious and well-designed cockpit with ample seating, a wet bar, and sunbathing areas.

Engines: Often equipped with twin Volvo Penta diesel engines, which can provide a fast cruising speed and a high top speed.

Galley: A fully equipped galley below deck, including a fridge, cooker, microwave, and sink.

Electronics: Modern electronics are often included, such as GPS/Plotter, Radar, and Autopilot.

Generator: A Kohler generator provides power for onboard systems.

Performance & Range

Cruising Speed: A comfortable cruising speed is typically in the mid-20s knots (around 26-27 knots).

Top Speed: Can reach up to approximately 38 knots.

Fuel Capacity: The fuel tank typically holds a substantial amount of fuel, allowing for extended cruising.
