Description

A Premium Commercial Vessel Backed by a Proven Charter Business

This is more than a vessel — it's a fully operational, revenue-generating charter business with a strong foothold in one of the world's most prestigious marine tourism markets: Sydney Harbour.

Offered for sale is COAST, a 65ft Suncoast commercial charter vessel with a 26ft beam, licensed to carry up to 150 guests under 2D and 2E AMSA survey. Sleek, spacious, and highly adaptable, COAST has been the backbone of a thriving private charter business catering to premium clientele across Sydney.

Following a refit in 2021, COAST now presents in excellent mechanical and aesthetic condition — boasting a commercial-grade galley, four bathrooms, multiple entertaining areas arranged over two levels, a fully serviced bar on the upper deck, and an exceptional charter capacity of up to 150 guests. As one of the largest capacity cruising vessels on Sydney Harbour, this unique feature directly contributes to the business's strong revenue performance.

What's Included in the Sale:

- The COAST vessel in full commercial survey (AMSA 2D & 2E)
- A fully licensed and operational charter business
- Established brand, website, booking systems, and marketing assets
- Database of corporate clients, repeat customers and secured future bookings
- Consistent year-round revenue with peak-season demand
- Existing crew and operational framework (subject to discussion)
- Option to continue operating in Sydney Harbour with existing berth and setup

Business Opportunity:

COAST is not just an asset, it's a high-performing business in one of the most profitable sectors of marine tourism. With a proven record of strong revenue generation, the business attracts a mix of corporate functions, high-end private events, weddings, product launches, and exclusive harbour experiences.

The vessel's versatility and size allow for both intimate events and large-scale celebrations, offering a competitive edge in Sydney's crowded charter space. The business boasts:

- Strong brand recognition
- High search engine visibility
- An outstanding reputation for service and presentation

New ownership can hit the ground running with forward bookings, existing marketing infrastructure, and operational systems already in place. This opportunity suits both marine industry veterans and hospitality entrepreneurs seeking a premium lifestyle-and-income
