Description

2007 34m Leopard M/Y YOLO

Full sodablast and antifoul completed in March 2026 – survey available upon request.

A timeless weapon that lives up to its name, YOLO is an impeccably presented Leopard 34m that underwent an extensive refit in 2022 to modernise its interior, AV systems, and vast outdoor entertaining areas. YOLO is an entertainer's dream, featuring a huge aft cockpit dining and lounging area shaded by dual umbrellas, a raised saloon bar, and a main deck media room for a full on-water cinematic experience.

YOLO offers four cabins, including a large, light-filled full-beam master suite and a VIP cabin that could be treated as a second master, complete with his-and-hers bathroom facilities. The crew are exceptionally well catered for with an impressive commercial aft galley and comfortable quarters.

Powered by 3 x 2,400 MTU engines, she cruises comfortably at 36 knots with an impressive top speed of up to 40 knots.

Full specifications and inventory are available upon request. YOLO is currently lying in Sydney Harbour, Australia.
