Description

EVOLUTION

Oceanfast 39M Superyacht | \$3M Refit Completed | 50% Ownership Available - \$4,950,000 AUD + GST

On Display at the 2025 Sanctuary Cove International Boat Show | 22-25 May

EVOLUTION is a standout 39-metre Oceanfast superyacht, completely transformed by a comprehensive, no-expense-spared refit in 2023 with over \$3 million invested. This is a rare opportunity to acquire 50% ownership of a fully upgraded, commercially certified superyacht—offering a luxury lifestyle asset with serious charter potential.

The refit introduced a newly extended 4-metre swim platform and a custom-designed wide staircase connecting the main and upper decks, greatly enhancing the onboard experience and flow. The expansive exterior features multiple entertainment zones including a foredeck lounge with removable sun awning, an upper deck sunbed area, and a sleek aft bar—all designed for socialising and relaxation in comfort.

Inside, the yacht presents a minimalist yet elegant design aesthetic, reminiscent of a high-end Manhattan penthouse. Multiple indoor entertainment zones feature modern AV systems, premium finishes, and generous guest spaces. Accommodation includes four luxurious cabins for up to eight guests, including a full-beam master suite with a custom floating king-size bed, two VIP cabins, and a double cabin.

EVOLUTION is also certified to carry up to 70 guests and has a proven history of successful charters. It represents an ideal opportunity for private enjoyment, luxury events, or establishing a boutique commercial charter operation.

Recreational equipment includes a 7x5 metre inflatable freedom pool, stand-up paddleboards, an underwater scooter, and a fully equipped dive tank room—offering guests a complete on-water experience.
