Recent detailed exterior work (polishing / hull maintenance) to show visual appeal.

Mechanical & Systems

Engine type / hours (after refit) – ensure updated figures.

Generators / power systems – recent upgrades and maintenance.

Thrusters (bow, stern) / maneuvering aids.

Electrical, plumbing & HVAC – fully serviced.

Safety & navigation systems upgraded where needed.

Performance & Handling

Cruising speed / top speed (post-refit performance).

Fuel efficiency / range estimates.

Handling in rough seas / stability.

Any improvements from refit that increase performance or reduce maintenance (e.g. new components, reduced operating hours, updated tech).

Market & Value Proposition

Comparison with similar Princess V70s on market (age, hours, condition) – this one's refit gives it an edge.

Cost savings vs buying new: luxury build, custom features, ready-to-go.

Investment in refit modernises the yacht, preserving value.

Target buyer: luxury charter, private family owner, someone wanting performance + aesthetic in a large yacht without starting with brand new price.

Financial Details

Asking price (your number).

Inclusions: list what comes with (tender, tools, spare parts, etc.).

Recent maintenance invoices / service records available.

Survey(s) and condition reports.

Mooring / berth (if included) or options.

Exterior: hull, decks, sunpads, swim platform.
