Description

PERSHING 64 'DINAMICA' - 2012

Ray White Marine Exclusive Pershing Dealers for Australia & New Zealand

JUST REDUCED & NOVEMBER 2025 SERVICING COMPLETE

Full hull sandblast below waterline, new antifoul & PropSpeed, complete engine & drive service, new air-conditioning chillers, new ice maker, new saltwater pumps. Zero deferred maintenance - ready for immediate summer use.

Seriously for sale

Rarely does a Pershing 64 of this calibre reach the market in Australia. DINAMICA is an outstanding example of the legendary Pershing 64 series - silver metallic hull, low original hours (approx 880 hrs Nov 2025), impeccable service history and just completed major works that place her in turn-key condition.

Performance Twin MTU 10V2000 M94 engines (2 × 1,524 hp) coupled to Arneson surface drives deliver a genuine 46-48 knot top speed and effortless 38-40 knot fast cruising. Light-ship weight of only 33.35 tonnes gives her supercar-like agility, yet she remains remarkably quiet and composed at all speeds.

Key Features & Recent Upgrades

- Metallic silver hull with black accents - iconic Pershing styling
- Only ~880 original engine hours (Nov 2025)
- November 2025: Full hull sandblast below waterline + new antifoul & PropSpeed
- New air-conditioning system (chillers & air handlers)
- New ice maker & upgraded refrigeration
- Hydraulic tender garage with Besenzone passerelle/opacmare system
- Williams 285 Turbojet tender available by separate negotiation
- Cockpit grill station & wet bar
- Retractable sunroof over helm
- Forward and aft sunpads with new upholstery (2024)
- Teak cockpit & bathing platform in excellent condition

Interior & Accommodation The signature Pershing interior by Poltrona Frau remains fresh and contemporary. Three beautifully appointed cabins sleep six guests:

- Full-beam master amidships with large hull-side windows, king berth, sofa, desk and ensuite
- VIP forward with queen island berth and ensuite
- Twin guest cabin to starboard with ensuite/day-head access

The main saloon is light-filled and elegant, featuring a large L-shaped lounge, rise-and-fall dining table, fully equipped galley opposite and panoramic visibility. Headroom throughout exceeds 2 metres - a rarity in this class.
