Description

2018 RIVA DOMINO 88' SUPER 'EVENFLOW'

LOCATION: SYDNEY HARBOUR, AUSTRALIA

The finest example of a Domino Super on the brokerage market 'EVENFLOW' is a one owner since new Riva that has been maintained and managed professionally to the highest of standards since leaving the Italian shipyard. Finished in pristine London Grey and Regal Silver metallic paint only, this four cabin standout sleeping eight also accommodates four crew in separate aft quarters.

The seamless flow from her huge cockpit into the main salon is complemented by a well appointed galley and modern helm station for either the captain or owner/operator to command the vessel from inside the tropical air-conditioned comfort, or up above on the sports fly ensuring complete privacy for entertaining guests on the main deck.

Finished in matte rosewood EVENFLOW is truly a 5-star accommodation option when it comes to elegant sleeping arrangements, a full size master with offset king bed and rainfall shower, barely used VIP forward and two guest cabins with sliding beds to accommodate couples or kids for those weeks away at sea.

The highly popular Domino Super which evolved from the original Domino also features superb stability with recently serviced twin Gyros, powerful hydraulic thrusters, bow dinette with shaded bimini, upgraded Bluetooth audio, recently upgraded electronics/navigation package, tender garage for Jet Ski and tender, along with a large hydraulic boarding platform to name a few key options.

Having just finished a major shipyard period and achieving over 40 knots on a recent sea trial, the new owner will benefit from a fresh soda blast and antifoul, major engines and generator servicing, along with a fresh set of lithium batteries to keep the vessel running quiet at all times.

For the full suite of information & inventory regarding EVENFLOW please contact Central Agent: Brock Rodwell +61 408 303 203 /brock@raywhitemarine.com
