Description

This 2002 Dyna Flybridge is luxury on the water, beautifully fitted out with nothing but the best features. As you enter from the rear deck you find the white leather lounge on the port side and entertainment area to the starboard. Further forward is the saloon seating and lower helm with comfortable seating. Below you find an exquisite galley with all the features you will need. Forward the V berth is modern and roomy with its own head and separate shower. The second cabin on the starboard side has twin single beds and a second head on the port side. The engine room is neat tidy and well maintained. The Flybridge area is comfortable and large enough for heaps of family and guests. 'Paramount' is an excellent value vessel.
