Description

The 60 Sunreef Power Eco is a versatile eco-responsible motoryacht offering complete freedom of customization. This luxury craft is equipped with the latest innovative technologies to achieve maximum energy efficiency and great performance. Sunreef Yachts' proprietary state-of-art [solar power system](#) on the 60 Sunreef Power Eco covers up to 68,6m² of surface on board, extending the solar energy generation to 21,5kWp.

Solar panels are fully-integrated with hull sides, superstructure and curved areas all over the yacht. The 60 Sunreef Power Eco uses cutting-edge electric engines powered from the dedicated [ultralight battery bank](#) for silent and vibration-free cruising. With green features including wind generators and eco-responsible finishing materials, the 60 Sunreef Power offers a 360° sustainable cruising experience.
