Description

This magnificent Bavaria 3 cabin E 40 Sedan is my favourite boat in the world. These Bavarias have the best helm position and view of any boat ever made. They are built for comfort and usability. You can have great all round vision while being part of your party of guests. The fold away window wall behind you gives an open and inclusive feel. The Bavaria fit out is extremely luxurious, with a very functional and modern galley on the Port side. Large saloon table and lounge on the starboard side. The V berth has a large island Bed and the Aft Cabins both have large doubles. The Engine room has easy access. She has 2 toilets and showers. The Cockpit is large and comfortable.

This boat has many extras including Dingy davits, Water maker, Washing machine, 3 fridges, Gas BBQ, Forward deck day bed cushions, Radar and all the Navigation equipment you will ever need.
