## Description

Beautifully presented Chaparral 350 Signature diesel luxury Sports cruiser.

This boat has a fantastic layout and features all the creature comforts for extended trips out on the water with family or friends.

The air conditioned interior has a luxury and modern feel throughout. It allows in plenty of natural light and has been tastefully appointed. Both the forward and aft Berths can be fully enclosed for privacy. The galley is well equipped and has plenty of preparation space with deep counter tops and ample storage. The dining table can be electrically dropped and converted into an additional berth. Other features include LED lighting, 230v plug sockets, Satellite televisions and a fusion sound system.

Outside, the cockpit is fully protected by a sun Bimini and surrounding clears. The raised helm station offers great visibility and additional surrounding seating to keep the captain company. The Aft cockpit has bench seating with a removable table and a washbasin to Port, a BBQ with custom built 316 stainless steel railings is located on the swim platform. An opening walk through windshield allows for easy bow/sun lounging access.

The boat is powered by twin Cummins Diesel 300HP 4.2l stern-drive engines and a Kohler generator. Both engines have just been replaced and rebuilt at around a cost of 100k.

If you are looking to get out onto the water in complete comfort, look no further!
