Description

Riva 56' Rivale – Iconic Design and Unrivalled Performance

The Riva 56' Rivale represents the perfect blend of timeless elegance and cutting-edge performance, delivering an exhilarating and luxurious yachting experience. Designed with meticulous attention to detail, this open cruiser is as stylish as it is powerful. **Engine Options and Performance**

The 56' Rivale is equipped with twin MAN V8 engines, offering two configurations to suit your performance desires:

- 1000hp engines for refined cruising
- 1200hp engines for those who seek high-speed thrills

With the top-tier 1200hp option, the Rivale achieves an impressive top speed of nearly 40 knots and boasts a cruising range of over 200 nautical miles—a perfect balance of power and endurance. **Impressive Layout and Accommodation**

The Rivale's interior layout is crafted for comfort and versatility:

- 2 spacious cabins with a separate crew cabin as standard
- An optional 3-cabin layout to accommodate larger groups or families

Exceptional Features

Riva's hallmark attention to detail is evident in the yacht's features, which include:

- Hydraulic swim platform for seamless water access
- Tender garage with space for a Williams 325 tender
- Electric concealed bimini top, blending convenience and elegance
- An optional hardtop, providing additional shade and protection without compromising the yacht's sleek profile

For those seeking enhanced stability, the optional Seakeeper gyro stabilizer ensures comfort even in rough seas. **RINA Classification**

With RINA B + F + A1 certification for sound emission, the 56' Rivale guarantees a smooth and quiet ride, underscoring its superior engineering. **Price Disclaimer**

The listed price reflects the ex-factory base price and does not include shipping, taxes, or optional extras. For a personalized quote, please get in touch with us. **Discover the Riva 56' Rivale**

Whether you're cruising at leisure or navigating at exhilarating speeds, the Riva 56' Rivale offers a yachting experience like no other—seamlessly blending performance, luxury, and sophistication.
