Description

2009 Sea Ray 280 Sundancer - 50th Anniversary Edition

Exceptionally Maintained | Extensive Service History | Low Hours

This 2009 Sea Ray 280 Sundancer - 50th Anniversary model is a standout example of one of Sea Ray's most popular and well-regarded cruisers. Well known for its balance of performance, comfort, and build quality, the 280 Sundancer remains one of the most versatile express cruisers in its class.

Powered by a MerCruiser 350 MAG MPI (350HP) petrol sterndrive, this vessel has been meticulously maintained with an extensive, well-documented service history spanning multiple years. Major mechanical works have already been completed, giving buyers genuine peace of mind.

Recent and historical works include 100-hour engine and sterndrive services, replacement of exhaust manifolds, risers and elbows, gimbal bearing and bellows replacement, impeller kits, anodes, trim sender, and antifouling packages, along with ongoing mechanical inspections and servicing.

The engine shows approximately 250 hours, which is very low for a vessel of this age

The 280 Sundancer's layout is ideal for weekends away or entertaining on the water, featuring a spacious cockpit with wet bar, generous seating, and a comfortable cabin with forward V-berth, mid-cabin double, enclosed bathroom, galley, and excellent natural light throughout.

This particular example presents as a turn-key cruiser, ideal for buyers wanting a proven Sea Ray with the big-ticket mechanical items already addressed.

Inspections are highly recommended -- quality boats like this do not last long.
