Description

What we have here is a very clean and well-maintained 31.5 Sea Ray Sundancer. This model not too big, not too small, almost the perfect size even at entry level. The cockpit, entertaining area is well protected from UV rays, with an internal cover, and also a large custom external cover over the windscreen at the rear of the bow. "Re-Joyce" has had all her covers and clears recently renewed and she has plenty of room for entertaining and comfortable accommodation for friends and family below.
